# International Conference Engineering, Construction, and Infrastructure Solutions for Innovative Medicine Facilities (ECSF 2021)

## About ECSF 2021 Conference

ECSF 2021 Conference is aimed at discussing interdisciplinary topical issues, exchange of experience of the scientific research and practical activities in the field of engineering, construction, and infrastructure solutions for innovative medicine facilities.

## ECSF 2021 Format

ECSF 2021 will be held online via Zoom; prior registration is required. All registered participants will get the link to access the online conference.

## ECSF 2021 Working Languages

ECSF 2021 will be held in Russian and English.

## Key Focus

We welcome presentations that relate to, but are not limited to, the following topics:

- ◆ Current issues in the engineering and construction of biomedical facilities and their infrastructure
- ◆ Integrated solutions for the terrain, infrastructure, and design of the architectural environment of medicine facilities
- ◆ Providing environmental safety in the engineering, construction, and infrastructure support of medicine facilities
- ◆ Operational peculiarities of innovative medicine facilities
- ◆ Evaluation of the efficiency and resource life of building structures adapted to innovative medicine facilities
- ◆ Requirements for building materials and finishing works for innovative medicine facilities
- ◆ Providing transport accessibility to medicine facilities.
- ◆ Infrastructure support for bio-banks and bio-material logistics
- ◆ Legal support for the engineering, construction, and operation of innovative medicine facilities
- ◆ Organizational and economic issues in the design and construction of innovative medicine facilities

## Paper submission

ECSF 2021 has opened the Call for paper proposals devoted to a broad range of related topics.

ECSF 2021 Digital Proceedings will be published by CRC Balkema (Taylor & Francis Group; <https://www.balkema.nl/>) and indexed in Scopus and Web of Science, as well as other indexing services.

## Registration

Participation in ECSF 2021 is free of charge. Authors and participants are welcome to fill in the registration form at:

<http://ecsf.spbgasu.ru/language/en>

## Important Dates

Paper submission deadline: **May 21, 2021**

Registration deadline: **May 1, 2021**

## Contact Details

Saint Petersburg State University of Architecture and Civil Engineering (SPbGASU)

**Address:** 4, 2nd Krasnoarmeiskaya St., 190005, Saint Petersburg, Russia
