

Ewa Skubalska-Rafajłowicz (Member IEEE), PhD, Dr. habil., Professor.

She was born in Wrocław, Poland. Her education includes both automation and control, and computer science. She is currently the Head of the Department of Computer Engineering at the Faculty of Information and Communication Technology at Wrocław University of Science and Technology. She is currently serving as an editorial board member of the journal Multidimensional Systems and Signal Processing.

Her research interests are mainly in machine learning and neural networks for high-dimensional problems and dimensionality reduction, both from a theoretical point of view as well as applications. She has authored or coauthored extensively, with about 100 publications.
