

Business English B2

Description:

You are going to improve your knowledge of English as it is used in the workplace as well as develop key communication and business skills.

Depending on the group you are in, you'll study some of the following topics: team communication, workplace culture, human resources, training and development, finance, digital business, performance and rewards, ethics, time management, managing change, coaching and mentoring, etc.

You will join an existing group of Polish students, that is why you'll have to meet Foreign Language Centre Erasmus Coordinator first. Please expect more information by e-mail before the beginning of the academic year.

Regular attendance and active participation are required.
