

## **Business English B2**

### **Description:**

English for work and socialising in business environment. Depending on the group, the general programme includes topics like

- (1) organization, advertising, dealing with change or
- (2) human resources, international markets & business ethics.
- (3) other topics - individual teacher's programme

You will join an existing group of Polish students that is why you'll have to meet the FLC coordinator first. An informative meeting with the coordinator is planned in the second week of the semester, so please expect more information by email before the beginning of the academic year.

### **Requirements:**

Ability to communicate in English at level B1+ (good intermediate level - at least)

Regular attendance is required.
