Green travel declaration

In connection with my participation in team volunteering, carried out on.....
in Poland, at Białystok University of Technology, as part of the European Solidarity Corps programme, I
declare that the entire journey on the route:

_____ – Białystok – _____

will be completed using low-emission means of transport.

At the same time, I hereby apply for additional support for Green Travel in the amount consistent
with the rates established by the National Agency for the Erasmus+ Programme and the European Solidarity
Corps.

I declare that I have read and understood the conditions for settling the granted allowance within
the deadline for completing the mobility formalities.

Main means of transport:

☐ bus

☐ train

☐ carpooling (shared travel of individuals on the same route, for the same purpose, using the car of one of
the co-passengers)
