

We are excited to announce the **Summer School 2026**, hosted by **IfaS** (Institute for Applied Material Flow Management) at the Environmental Campus Birkenfeld (ECB).

From **July 27th to July 31st**, participants will engage in an immersive program designed to bridge the gap between academic theory and real-world sustainability innovation.

Program Highlights:

- **Academic Excellence:** Interactive workshops focused on sustainability and green innovation.
- **Professional Insight:** "Eco-Adventure" an exclusive site visit to a leading sustainable company.
- **Cultural Discovery:** Guided excursions to the historic cities of **Mainz and Trier**.
- **Nature Experience:** A guided hiking tour through the stunning **Hunsrück-Hochwald National Park**.

Registration & Fees:

We are pleased to offer a **special rate of €300** for our Network Partners (Regular Rate: €750).

This fee includes all transfers within Germany, accommodation, and meals.

Participants are responsible for their own flight and visa costs.

How to Apply: Students can scan the QR code on the attached flyer or use the following link: <https://www.imat-master.com/summer-camp-2026/>

Application Deadline: 30th June 2026.

We would be grateful if you could share this opportunity with your students and across your network.

For any **further questions**, please feel free to reach out to Julia Schmidt (j.schmidt@umwelt-campus.de)

We look forward to welcoming your students to Birkenfeld!
