Digital telc Certificates

14.04.2026

Dear Sir or Madam,

This is to confirm that telc gGmbH has fully transitioned to issuing digital certificates only as of 1 April 2026. Paper certificates are no longer issued.

The digital certificates are securely generated, cryptographically protected, and verifiable. They are issued by telc gGmbH as the certifying institution and have the same legal validity as the former paper-based certificates. You can verify the digital certificates here:

<https://results.telc.net>

For further information, please check our website: [telc Zertifikate DIGITAL - telc](#)

Sincerely,

A handwritten signature in black ink that reads "S. Plassmann". The signature is written in a cursive style.

Dr. Sibylle Plassmann

Dept. Managing Director
