To be eligible for studying at Bialystok University of Technology, Algerian students applying for a master's program must meet several criteria:

## Academic Qualifications :

- ◆ **Bachelor's degree ("Licence"):** Applicants must hold a bachelor's degree, equivalent to a "licence" in the Algerian education system.
- ◆ **Transcript requirements:** The grades on the applicant's transcripts must be above 10/20 **for all subjects**. This ensures that the student meets the minimum academic standards required for admission into a Polish public university.
- ◆ **Other eligible degrees:** Candidates with a diploma in architecture, engineering diploma, master's degree, or even a PhD are also eligible to apply.

## Field of Study:

The bachelor's degree "licence" should be in the same or a similar field to the master's program you are applying for. The relevance of the degree will be reviewed by the admission coordinator during the application process.

## Language Requirements

For language requirements, it is preferable to have a certificate proving your English proficiency, such as IELTS or TOEFL ([you can find the list of recognized certificates here](#)). However, this is not obligatory. If you do not have such a certificate, your English language skills will be assessed during an interview, which takes place after you have been accepted into the study program. This allows the university to ensure that you have the necessary language skills to succeed in your studies.

## BACHELOR CYCLE

### Academic Qualifications

High School Certificate: Applicants must have completed secondary education with a **"Baccalauréat de l'Enseignement Secondaire"** or a **"Baccalauréat de Technicien."**

### Language Requirements

For language requirements, it is preferable to have a certificate proving your English proficiency, such as IELTS or TOEFL (you can find the list of recognized certificates here [... \[link to the list of certificates\]...](#)). However, this is not obligatory. If you do not have such a certificate, your English language skills will be assessed during an interview, which takes place after you have been accepted into the study program. This allows the university to ensure that you have the necessary language skills to succeed in your studies.

## IMPORTANT NOTICE

Starting from August 2024, all international students applying for bachelor's programs will need to have their diplomas verified by Polish authorities. Specifically, the verification must be done by the Province Education Superintendents in Bialystok, in accordance with the requirements set by the Polish Ministry of Foreign Affairs. This is a mandatory step in the application process for all foreign high school certificates.

To be eligible for studying in our public university, Bialystok University of Technology, Azerbaijani students applying for a master's program must meet several criteria:

## Academic Qualifications:

**Bachelor's Degree ("Bakalavr Diplomu"):** Applicants must hold one of these diplomas :

- Bachelor's degree, equivalent to a "Bakalavr Diplomu" in the Azerbaijani education system.
- Specialist diploma.

**Transcript Requirements:** The applicant's transcripts must show a minimum grade of **51 / 100, which is equivalent to a passing grade of A–E**. This ensures that the student meets the minimum academic standards required for admission into a Polish public university.

## Field of Study:

The bachelor's degree ("Bakalavr Diplomu") or the Specialist diploma should be in the same or a similar field as the master's program being applied for. The relevance of the degree will be reviewed by the admission coordinator during the application process.

## Language Requirements

For language requirements, it is preferable to have a certificate proving your English proficiency, such as IELTS or TOEFL ([you can find the list of recognized certificates here](#)). However, this is not obligatory. If you do not have such a certificate, your English language skills will be assessed during an interview, which takes place after you have been accepted into the study program. This allows the university to ensure that you have the necessary language skills to succeed in your studies.

## BACHELOR CYCLE

### Academic Qualifications

- High School Certificate: Applicants must have completed secondary education with a “(orta təhsil haqqında şəhadətnaməsi)”.

### Language Requirements

For language requirements, it is preferable to have a certificate proving your English proficiency, such as IELTS or TOEFL (you can find the list of recognized certificates here [...\[link to the list of certificates\] ...](#)). However, this is not obligatory. If you do not have such a certificate, your English language skills will be assessed during an interview, which takes place after you have been accepted into the study program. This allows the university to ensure that you have the necessary language skills to succeed in your studies.

## IMPORTANT NOTICE

Starting from August 2024, all international students applying for bachelor's programs will need to have their diplomas verified by Polish authorities. Specifically, the verification must be done by the Province Education Superintendents in Bialystok, in accordance with the requirements set by the Polish Ministry of Foreign Affairs.

The following degrees are not formally recognized in Poland and therefore are not eligible for master's applications:

- ♦ **Technical Diploma**
- ♦ **Certificate of Associate Degree, sometimes translated as Certificate of Licensed Assistant or Certificate of Assistant Bachelor.**

### **Transcript Requirements:**

The minimum cumulative grade point average for the Al-Ijazah Bachelor's degree must be **at least 50%**.

### **Field of Study:**

The bachelor's degree ("Al-Ijazah ") should be in the same or a similar field as the master's program being applied for. The relevance of the degree will be reviewed by the admission coordinator during the application process.

## **Language Requirements**

For language requirements, it is preferable to have a certificate proving your English proficiency, such as IELTS or TOEFL ([you can find the list of recognized certificates here](#)). However, this is not obligatory. If you do not have such a certificate, your English language skills will be assessed during an interview, which takes place after you have been accepted into the study program. This allows the university to ensure that you have the necessary language skills to succeed in your studies.

# BACHELOR CYCLE

## Academic Qualifications

Applicants must hold one of these two certificates:

- **General Secondary Education Certificate (Baccalaureate)**)
- **Technical Secondary Education Certificate.**

## Language Requirements

For language requirements, it is preferable to have a certificate proving your English proficiency, such as IELTS or TOEFL (you can find the list of recognized certificates here [... \[link to the list of certificates\]....](#)). However, this is not obligatory. If you do not have such a certificate, your English language skills will be assessed during an interview, which takes place after you have been accepted into the study program. This allows the university to ensure that you have the necessary language skills to succeed in your studies.

## IMPORTANT NOTICE

Starting from August 2024, all international students applying for bachelor's programs will need to have their diplomas verified by Polish authorities. Specifically, the verification must be done by the Province Education Superintendents in Bialystok, in accordance with the requirements set by the Polish Ministry of Foreign Affairs. This is a mandatory step in the application process for all foreign high school certificates.
