The Rector, Associate Professor. Marta Kosior-Kazberuk, DSc, PhD, Eng.

Respectful Rector Kosior-Kazberuk,

On behalf of the University of Banja Luka and my own behalf, I extend our heartfelt congratulations on the occasion of the Bialystok University of Technology Day 2025.

Thank you for your kind invitation to the reception on 4 December, however, I regret to inform you that, due to prior commitments, I will not be able to attend in person. Nevertheless, my thoughts are with you on this occasion.

I am looking forward to our future cooperation, and I hope that our two Universities will collaborate on joint projects that benefit both of us.

With warm regards,
